

# SIGHT WORD ACTIVITY

## Trashketball

Cut up 10-15 small squares of recycled paper.  
Write one sight word on the back of each square.  
Have your child chose a square and read the word.  
If they get it right they get to crumple it up and shoot it into a garbage can.  
If they get it wrong, the word goes back into the pile for them to try again.

Keep a score using tally marks.

1 point for reading correctly

1 point for scoring a basket
