### Sundae Fun!!

I am one of five siblings, and true to form, we love treats. So one weekend I softly sneaked into the kitchen to make an ice cream sundae. I put a bowl on the table and got everything I needed from the freezer. My sister saw what I was doing and decided she wanted one too. She got a bowl from the cupboard and began to make her own. Our Mother came into the kitchen and said, "I hope you are not being greedy, and are planning to make one for everyone in this family!"
