## Similes and Their Meanings

**Directions:** On the line under each simile write what you think the simile means. The first one is done for you.

**Hint:** A **simile** is a figure of speech that directly compares two different things. The **simile** is usually in a phrase that begins with the words "as" or "like."

1. **This math problem is *as clear as mud*.**

This simile is saying that the math problem is not clear to the speaker or that the math problem is very difficult.

2. **I am *as busy as a bee*.**
