

LITERACY ACTIVITY

Canoe Conundrum!

Use your cell phone to record/video/ photograph your answer. You can also text your answer, act it out, tell someone your answer, or write it down on the paper.

Answer the following questions to help you with the brain storming process.

Imagine you are exploring a new river 1000 km away from home. Suddenly, you hit some rapids and your canoe tips over! You have time to save only 3 items and take them back with you to shore. What would you save? Why those items?

LITERACY ACTIVITY

Guiding Questions:

- What items do you usually pack in a canoe?
- Out of all the items, which 3 did you choose to save?
- What makes each item special?
 - ◆ Will they help you survive in the bush?
 - ◆ Are they useful for more than one person?
 - ◆ Can they be used in more ways than one?
 - ◆ Do they hold a special place in your heart?
 - ◆ Are they replaceable or irreplaceable?
 - ◆ Is its purpose for entertainment? Are they for fun?
