Helping your child talk During everyday activities

Activity: Socks Matching!

Materials: Socks! Choose socks with different patterns and colours. All white socks won't work; Laundry basket.

Instructions:

- Put socks in the basket and have your child dump them out. Talk about what you and your child are doing.
- Have your child match sock pairs.
(Tip: reduce the number of socks to make it easier)
- Talk about colours and patterns while your child does this activity!

Tip: If your child only says one or two words, try to **repeat** what your child said and **add on** a few more words.

Add-On

Repeat what your child said and **add** a few more words

Add-on helps your child:

- Combine words and make longer sentences
- Learn new information and new words
