# COUNCIL OF COMMISSIONERS MEETING HIGHLIGHTS

August 13, 2020 | Meeting via Teleconference

## Message from the Chairperson:

At this time, as parents, we are all concerned about many things: going back to school safely; ensuring that the needs of our children are met emotionally, socially, physically, and academically; having options available for families who cannot send children back to school; ensuring the safety of our communities, family members, children, and elders. Please be in touch with your questions, concerns, and hopes for the return to school. I know that our school teams, especially our teachers, are looking forward with optimism to the new school year.

I'm very proud and grateful to the entire Cree School Board team for the work that has been done to get ready for this coming school year. I am also grateful for the collaboration of the Cree Health Board as they work with us to ensure that the best possible plans are in place for our children, our families, and our communities. Together we remain strong and together we will ensure the best possible outcomes for our children!
