On behalf of the Council of Commissioners, I extend our gratitude to those who work every day in our schools to ensure that our students are supported, welcomed, and engaged to learn. Our CEAs, janitorial, maintenance, and support staff worked throughout the summer to ensure that COVID measures were in place and our schools were ready to receive students in September. Our teachers, SATs, Guidance Counsellors, VPs, and Principals continue to care for and support our children through this extraordinary time. Thank you for your dedication to the well-being of our young people! Thank you for your commitment to our students’ success!
